Greeting Parents!

The City of Milpitas Recreation Services is excited to announce the new *After the Bell* after school program for your children in grades 1-6. The program will be offered at Curtner, Randall, Weller and Zanker Elementary Schools.

This new program will enable children to learn and play in an environment that nurtures creativity, helps develop social skills, builds self-esteem, engage in physical activity and most of all, have fun in a safe environment!

A typical program day will include homework time with tutors to assist with homework, scheduled activities, games and/or crafts and fun recreational opportunities such as tennis, yoga, dance and much more!

The highly qualified, well-trained *After the Bell* staff will attend monthly trainings as well as seasonal in-service trainings to ensure your child is receiving the most from their experience in our program. A ratio of 1 staff member for every 10 students will provide you with the assurance that your child is in good hands.

We are excited to be able to offer this new program and look forward to a fun-filled school year with you!
